MEMORANDUM FOR: All Recipients of Subject Report

25X1C

SUBJECT : Transmittal of CIA/RR-GR-174,  
Recommended Unconventional Warfare Areas [REDACTED]

REFERENCE : Memorandum for the Record, Subject: Selection  
of Areas Considered Most Feasible for Unconventional  
Warfare Purposes, dated 2 April 1957

1. Transmitted herewith are copies of the subject report which describes the areas recommended for unconventional-warfare purposes, based on a country-wide feasibility evaluation.

2. This report contains: a. A brief discussion of the country as a whole, presenting the advantages and disadvantages of each major region for unconventional-warfare activities; and b. A fairly detailed description of the individual recommended areas.

3. The specific areas were selected with the guidance of the criteria set forth in the reference memorandum for the record, and all intelligence sources were drawn upon in the evaluation. The primary considerations, also the factors not reflected in the selection of the recommended areas, are elaborated in the attached statement.
